

Rabbit Life

THE STORY

Three rabbits named Robbie, Lucy and Donny lived together on a golf course. For some unknown rabbit reason, none of the rabbits liked their real names and they each chose their own nickname. The nicknames were Moose, Lucky and Zelda. One evening, the rabbits began talking about their worst experiences. These experiences included being bonked by a golf ball, being chased by a coyote, and being swooped by a hawk. Based on the clues, match the rabbits with their nicknames and their worst experiences.

THE CLUES

1. Robbie had never even seen a coyote, and he thought Moose was a silly name for a rabbit.
2. Lucy was not Zelda, and she had tears in her eyes when she heard Moose talk about being swooped by a hawk.
